

# ice cream cone

Audrey loves a double-decker ice cream cone in the summertime.

Follow the steps to draw an ice cream cone on the next page.

Pick your favorite flavors, add toppings and color it in. Yum!

## step one

draw a triangle for the cone

## step two

add a bumpy circle for ice cream

## step three

add a second scoop of ice cream

## step four

make criss-cross lines on the cone

## step five

add toppings!
